The committee members are Mark Lander from Columbia County, Emily Wilson, Don May from Levy County and Paul Booher. Ms. Joyce Massie continues as the clerk and recorder of these meetings. She will contact you the week of the meetings to request any applications be sent to my office in Gainesville and let you know what remains on our agenda for your county.

All applications for new, existing and repairs to onsite sewage treatment and disposal systems located in the 10-year floodplains of the Aucilla River, the Suwannee River and its tributaries are requested. **Please mail the entire packets to the committee for review. Applications will be received by FAX under some circumstances, but our experience has been that the FAX machine copies are at times not legible.**

If you have any questions or comments about second level reviews, please contact me at (352) 334-7972 or Suncom 605-7972 Monday through Thursday between the hours of 8:30-1:30.
