### This meeting is for you if:

- ◆ ...you are concerned about the environmental health in Gadsden County
- ◆ ...you have a desire to see some specific changes but did not know who to talk to
- ◆ ...you want to get to know the people and groups who are working on environmental health issues in Gadsden County
- ◆ ...you want to know what environmental health issues are
- ◆ ...you are looking for a reason to get out and meet your community while doing something worthwhile

### What to Bring

Bring an interest in  
your community

Bring an appetite—a  
light meal will be  
provided

Bring a friend
