

West Wabasso Water Project Community Cookout

Through a recent Community Development Block Grant (CDBG) award, county water lines will soon be installed within the West Wabasso Community.

Come celebrate this occasion by joining your West Wabasso neighbors at a Community Cookout on Sunday, October 9, 2005 at 1:00 p.m. within the St. Matthews Baptist Church (Wabasso), 8550 64th Avenue.

An overview of the water project will be provided at the cookout. In addition, there will be opportunities to ask questions of county staff and elected officials.

If you have any questions prior to the cookout please contact Detective Teddy Floyd, Indian River County Sheriff's Department at his office, (772) 978-1838 or mobile, 633-2217. You may also call Fred Fox Enterprises, the firm that is administering the grant program for Indian River County, toll-free at (888) 223-9795.
