Concisely summarize this month's activities.:

The PACE community task force launched the Wauchula Hills project with a meeting at the Hardee County Health Department on 07.09.09. Seven community leaders were in attendance as the introduction and the objectives of PACE were explained by Hardee County Environmental Health staff. Different ideas were discussed as to what are the needs of the community and methods required to make improvements. A few issues discussed by the task force are as follows: Crime, Pedestrian crossing of US 17, Street repair, Sidewalks, After school activities for children, Community patrols, and Recreation areas. The task force stressed the need for active involvement by the area churches. A community survey will be developed and discussed in a follow-up meeting on 07.16.09. The meeting ended with everyone ready to help in all ways possible.
