Concisely summarize this month's activities.:

This month we had two community meetings, one meeting was to discuss progress of the survey response needs and one meeting was with the community and the Boy Scouts of America. This meeting was to set up a Boy Scout and Cub Scout troop at a local church in the community. I also met with our County Commissioner and County Sheriff to discuss the drug problems in the community and schedule a drug sweep of the neighborhood. Last week the drug sweep occurred which resulted in 13 arrest's and the condemning of two abandoned homes used as crack house's.
