Concisely summarize this month's activities.:

The results of the community survey was presented at the July meeting. We then talked about some possible solutions to these issues. A meeting will now be set up to go over these issues and set up different committees to work on each issue and report their progress or lack of at the community meetings. Our goal is to get as many people involved as we can so everyone will feel that they are helping their neighborhood.

A community Bar-B-Que was held July 25th with a good turn out.

We did some Healthy Homes assessments for some of the residents.
