Concisely summarize this month's activities.:

This has been a slow month for the East Lake Village Community. Although the playground equipment has arrived and the residents are eager to get started, we had to wait on some City of Pahokee legal issues to get taken care of.

The City of Pahokee and Palm Beach County are both working harder to see that all the drainage ditches are being cleaned out. This has been a problem in the past and caused some flooding during the rainy season.
