Concisely summarize this month's activities.:

Again there was no meeting held in the month of August due to a meeting place conflict. I have advised the leaders of this community to hold regular monthly meetings to keep from losing residents who are attending now and to keep from losing momentum for what they are trying to achieve.

Work is still in progress on the North Westgate infrastructure and we are still working on the community addressing problem. The county is putting a splash pad at the recreation center and should be finished by the end of the year.

The county has been looking to buy a building outside the community to help deal with the homeless problem. This will help rid some of the many homeless that hang out in the Westgate Community.
