Concisely summarize this month's activities.:

There was no community meeting in July and not one scheduled for August due to a conflict with the building that we meet at. There has been some negative activity going on during this time and some of the residents want to meet and discuss this. We will try to find a place to meet.

The infrastructure work has started with the demolition of some houses to make way for retention ponds before the new drainage goes in.

We are still working with our emergency personal with the community addressing problem.
