

Month of Reported Progress:

September

PACE EH Coordinator/Contact Name:

Andrea Ables

CHD Name:

St Johns

EH Manager/ Administrator:

Bob Kuhn

Has EH Manager/Administrator reviewed and approved this report?:

Yes

Is your PACE EH survey complete?:

No

If your PACE EH survey is complete, list your PACE EH community's top identified issues.:

Concisely summarize this month's activities.:

Tommy went to Murray Middle School and spoke with Mr. Haines's science students. We are currently collecting water samples and testing them in our lab.

I took the draft of our survey back to the community to receive input from them. They had some changes, which I agreed with, so I changed the survey and gave it back to my leadership team for approval.

I had a meeting with Lisa Tillman who is one of our county's GIS specialists. She set up a file for our PACE project. So far, we took our PACE community and broke it up into 4 sections. We will be distributing the surveys by sections. In each section we have mapped out all of the residential and commercial parcels. Once we are finished with the survey, we can go back into our four mapped sections and add any layers that will be helpful for our project such as traffic lights, side walks, fire hydrants, etc...
