

Month of Reported Progress:

June

PACE EH Coordinator/Contact Name:

Julianne Price/ Clayton Weiss

CHD Name:

Indian River

EH Manager/ Administrator:

Cheryl Dunn

Has EH Manager/Administrator reviewed and approved this report?:

No

Is your PACE EH survey complete?:

Yes

If your PACE EH survey is complete, list your PACE EH community's top identified issues.:

Top identified issues: lack of housing choices, transportation, neighborhood lighting, lack of business opportunity, and expanding community parks

Concisely summarize this month's activities.:

"A dream doesn't become reality through magic; it takes sweat, determination, and hard work."
– Colin Powell

A resource list was written and printed for the community members in Fellsmere, and the above quote by Colin Powell was added for extra motivation. There remain action items that we hope the community will guide to an end. These items are the paving of the community's roads, streetlights, and a community park.

The city of Fellsmere has plans to address all three areas, but the community usually has questions regarding when the work is scheduled to begin in the neighborhood. From now on, we hope that the residents will not hesitate to make the phone call, or walk into the offices of their city officials to find out the status of these planned community improvements.

Meals – on – Wheels is bringing their services to Fellsmere, and they began signing people up for free meals on June 24th and 25th. On those two days, Clayton went to Hall Carter James to gather as many older folks as possible to link them to the service. Yolanda Gomez was also contacted and informed of Meals – on – Wheels in Fellsmere in order for her to link members of the Hispanic community to the free meals.

As a side note, one of the hopes of the Sustainable Design Assessment Team (SDAT) was to promote the sharing of resources between members of the African-American and Hispanic communities. The Meals – on – Wheels will be one of those resources.
