Richard Land

Has EH Manager/Administrator reviewed and approved this report?:

Yes

Is your PACE EH survey complete?:

In process

If your PACE EH survey is complete, list your PACE EH community's top identified issues.:

Concisely summarize this month's activities.:

April PACE EH Report

In April we established our PACE in house team which consists of Winifred Holland, Administrator, Richard Land, Environmental Supervisor, Dan Mann, CHD Planner, Joe Pietrangelo, Operations Manager, Jonathan Gaskins, Training Specialist II and Edward Rensberger, Environmental Specialist III. We have set up weekly meetings, assigned tasks to members of the team and ordered the NACCHO Assessment Protocol for Excellence in Public Health. The team has identified the Lincoln City community for our PACE project. We have gathered demographics and census data on the community and established the boundaries of the community.

We are currently putting together a list of potential leaders in the community. We plan to invite these leaders to a meeting on May 21, 2009 to introduce PACE and get them involved in the project.

We have contacted the pastor's of the two churches in the community. They want to be involved and have agreed to provide meeting space.
