Preliminary analyzes of completed survey suggest that the top residents' concerns include:

- 1) The lack of businesses & opportunities for employment in the area &
- 2) Redevelopment efforts to bring economic growth back into the area are needed.

Concisely summarize this month's activities.:

DCHD completed survey of PACE Study Area. Over 1300 residences in the East Jax Survey area were visited with 228 residents completing the survey.

We are in process of completing an application for three historically relevant sites for inclusion into the National Register of Historical Places. According to protocol, these completed applications are being to Tallahassee for their review & approval.

We continue to analyze obtained GIS data for the PACE grant area to determine the additional information & updates needed to complete the GIS portion of the grant.
